A. **SPORTS PARTICIPATION (Maximum of 40 pts):**

Applicants must have participated in KaHS sports at least two of their four years at Kamiakin, including at least one year during the junior or senior year. Between one and five points shall be awarded per sport, per year of participation, up to a maximum of 40 points. This allows scorers to award extra points to athletes in a leadership role (i.e. captain, etc), or to athletes participating at a varsity level as opposed to a junior varsity level, or to athletes who have received an award from their team or coach during their season (i.e. MVP, etc). For example, participation in a JV sport will be assigned 1 point with the possibility of an additional point for each leadership position and/or end-of-season honor; participation in a varsity sport will receive 3 points, and a captain of a varsity sport will receive 4 points. An additional point will be awarded for end-of-season honors (all conference, state qualifier/champ, etc.) Therefore, athletes should list awards and honors during each sport including placement in district, regional, and state championships if applicable. **Applicants who do not list the level of participation in a sport will be given 1 point as a JV participant.**

B. **NON-SPORT SCHOOL PARTICIPATION (0-6 pts):**

Section B is to include school activities that are not sports related. Examples could be but are not limited to; Honor Society, ASB officer, Buddy Club, Spanish Club, Drama, etc. This should include school activities that take place during the lunch hour or outside of the normal school day.

C. **COMMUNITY PARTICIPATION (0-6 pts):**

Section C is to include activities during the applicant's high school years unrelated to school. Examples could include, but are not limited to, Eagle Scout, Church choir, coaching/teaching various athletic/activity sessions for children, summer camp counselor, tutoring, jobs, community service, etc.

D. **ESSAY:**

The Essay (one page, 1½ line spacing) shall be assigned a point value of 0-20 by the Selection Committee. Neatness, grammar, spelling and punctuation will be considered. The Essay must outline the following criteria:

- a. Further Education goals;
- b. How their involvement in Kamiakin athletics has helped, and will continue to help, them in their education and life.

E. **MISSING DOCUMENTS:**

Five points will be subtracted for each missing document from the application packet.
