In his senior year, he led the team in hitting with a batting average of .386. During that same year, the baseball team earned the Central District Champion title, and he was selected first team All- Central District. After making great contributions to the PHS baseball team, Goulder went to play for Randolph Macon College. In addition to lettering all four years, Goulder served as the team captain in 1961. Also, he was a member of the All- Mason- Dixon Conference in 1960 and 1961, and a member of the championships teams for both years. He graduated from Macon in 1961 with a B.A. Degree, and pursued a Master of Education from the College of William and March, graduating in 1970. In 2015, Goulder was inducted into the Randolph Macon Athletic Hall of Fame for his contributions to the team.

After graduating college, Goulder signed with Minnesota Twins 1961, and was assigned to Wytheville, Virginia team in Appalachian League. He played with 5 future leaguers on that team. Following his time with the league, Goulder found his calling in the education world. In his years of service, he made a tremendous impact on all of the places he worked.

From 1961- 1970, he began his teaching career at Colonial Heights High school teaching mathematics. Goulder served in many positions with Colonial Heights: Athletic Director (1962-70), junior varsity baseball coach (1962-64), varsity baseball coach (1965-70 and 2004-2008), Assistant Principal (1972-1985), Interim Principal at the middle school (1985-1986), Director of Adult Education (1972-1985), Principal at the high school (1986-1998), Director of Finance and Personnel (1998-2001) and Assistant Superintendent for Business Services (2001-2002).

Dr. Robert Grossmann

Bob Leigh Grossmann was born in Richmond, VA in 1939. His family moved to Petersburg after WWII. At early ages, the Grossmann boys, Bill, Bob Leigh, and Jimmy were introduced to swimming at the Petersburg YMCA. The pool was in the basement and was only 4 lanes wide and 20 yards long.

At age 9, Grossmann began representing the YMCA team in age group swimming competition. He also competed in state wide AAU meets, which he consistently placed first in breaststroke events. As a 10 year old, Grossmann was state champion in the 50 yard breaststroke and 75 yard individual medley (IM). When he was 15, Grossmann was Virginia YMCA and AAU champion in the 100 yard breaststroke, 100 yard butterfly, and the 200 yard IM. In 1956, he was state champion and record holder in the 400 yard IM. His success was so remarkable as he accomplished all of this without a qualified swimming coach.

While enrolled in the Scientific College preparatory curriculum at PHS, and in addition to swimming, Bob Leigh contributed to the PHS tennis team's success. He was a two sport athlete at Petersburg High School, lettering his Junior and Senior years in tennis, as well as winning multiple Outstanding Swimmer awards in the YMCA and AAU programs. He was also a contributing member of the PHS band.

In the fall of 1956, he matriculated at Virginia Tech, where, under the tutelage of Coach Dick Redding, another non-swimmer coach, Grossmann would letter in swimming each of his four years. During his college career, he was a champion as an individual and a team, which set a Conference record in the 400 yard relay.

In the spring of 1959, Grossmann was a member of the Virginia contingent at an international meet that included Florida, Puerto Rico, and Cuba. The event was held on Grand Bahama Island and he placed second – to an Olympian – in the 100 yd. breaststroke and 100 yd. butterfly.

Following Dental School at the Medical College of Virginia (MCV), he served three years as a Captain in the U.S. Army Dental Corps in Germany, where he met and married his wife, Sibylle. Grossmann returned to the U.S. and attended the MCV Orthodontic School. While in dental school, he coached the Country Club of Virginia swim team in the summers and combined local teams at the Jewish Community Center in the winter seasons.

The most prestigious award of all, one that validated all the hard work and time spent swimming, came in November 2002 when Virginia Tech honored and inducted Bob Leigh into its Virginia Tech Sports Hall of Fame, only the second swimmer to be so honored. In 2006, to bring his commitment and love of his sport – and of Virginia Tech – to full fruition – he endowed the *Bob Leigh Grossmann Swimming Scholarship* and was made a member of Tech's prestigious *Ut Prosim Society* – a select group who have made significant commitments to continuing Tech's pursuit of excellence.

In August 2001, Marco decided to continue his mission to positively impact the lives of youth in a public school setting.
