The focus of Huskies youth softball camp is to provide athletes with the opportunity to develop their softball skills in a fun and supportive environment. Our goal is to instill a love for the game, build confidence, and promote teamwork and sportsmanship. We strive to create a positive and encouraging environment for all participants, helping them reach their full potential both on and off the field. Campers will work to improve their skills in all aspects of the game, including hitting, fielding, pitching, and base running. Participants will receive a camp t-shirt, as well as the chance to interact with current players, coaches, and college athletes. Players should bring their own equipment (ie. glove, bat, and helmet) as well as water.
